

Dear Customer,

We are very happy to have the opportunity to contact you.

Our company **OTO PERK A.S.** which was established in 1956 in İzmir -Turkey, has been operating in the field of "*Diesel Fuel Injection Spare Parts*" for more than 50 years.

In addition to **Bosch** and **Delphi** original parts, we produce spare parts in original quality under our own brand **PerkDiesel**.

With 55 years of experience, our company has been serving our customers in more than 40 countries in different continents, especially in Europe, South America and USA.

Fast-moving spare parts are listed in the PDF catalogs inside the USB.

You can see all our product ranges in our Web Catalogs below.
